Memorandum from Rosen to Belmont dated 4/8/64 set forth information indicating that a book stamped "Top Secret", which was a reprint of the President's Fact Finding Committee on the Assassination of President Kennedy, was observed in the front seat of an automobile whose license was issued to Representative Hale Boggs (D. La.), who is a member of the President's Commission.

Congressman Hale Boggs was confidentially advised of this on April 12, 1964, by Mr. DeLoach. He stated the car was his; however, the material was irrelevant and also stated the car was locked.

Secret Service Agent Tom Kelley telephoned concerning this same incident and inquired what action the Bureau was taking concerning this incident inasmuch as the Secret Service had been supplied the same data and they did not wish to duplicate action the Bureau might take.

RECOMMENDATION:

If approved, Tom Kelley of the Secret Service will be advised that this incident was discussed with a member of the President's Commission, without identifying Hale Boggs as the person it was discussed with, and we are taking no further action.
